

If you are interested in entrepreneurship and working with business professionals, this hands-on course will help you develop your business knowledge.

YELL:Young Entrepreneurship Leadership Launchpad

Overview:

The Young Entrepreneurship Leadership Launchpad course is based on the Lean Launchpad start-up program model for university students, and is in partnership with UBC Sauder School of Business. It has been adapted, and blended with Entrepreneurship 12 learning outcomes while maintaining the YELL mandate of matching mentors with the next generation of entrepreneurs. The purpose of this course is to provide the real world experiences of entrepreneurs while providing mentorship to the next generation of business leaders.
